Last Sunday evening at the 6:15 train a party, who refused to give his name, had a very narrow escape from death while trying to board the cars while in motion at Verano. He was dragged for about forty feet and it was a miracle that he did not roll under the wheels when he let go of the handrail.

An automobile party went over the proposed right of away to the Black Point cut-off last Sunday. Among them were T. H. Baines, James Baines, Wm. Kearney, Claude Johnson, Sam Lewis, M. E. Cummings, Joe Keechler and foreman St. Clair of the Foster ranch. The automobiles which took the party over the road were driven by Harry Baines, Joe Keechler and Ben Pinder.

Harry Lovine, after rusticating in a number of towns throughout the State and who created a sensation here several months ago by the sudden departure of his Jap wife from the J. K. Bigelow ranch and of whom the former had every officer in the State of California on her trail, is again in the employ of J. K. Bigelow. This is one time that the Japs put one over on our white friend and still he works with them.

John Serres, our well-known roadmaster, transacted business at the county seat Monday.

Mrs. A. Conferman of San Francisco is here to occupy her cottage home during the summer months.

One of the largest crowds that ever visited Sonoma Valley was here over the 4th of July. A number found it impossible to get accommodations. Boyes Springs had over a 1000 bathers each day during the rush. Through the courtesy of manager of the bath house Bob McGill, who was there with the big talk, the visitors all had a chance to enjoy Sonoma Valley's hot mineral water.

Robert Potter Hill of Eldridge had the misfortune one day last week of nearly being drowned. Mr. Hill went down a well on his fine estate to look at a pump. After descending ten feet he stepped on a platform built about the pump. It gave away and he was precipitated twenty feet further down the well into water several feet deep. A pipe wrench then fell from the platform striking him on the head, cutting a deep gash. Mr. Hill clung hard to the pipe and the man assisting him secured a rope and lowered it to the imprisoned man. A number of others were summoned and Mr. Hill was hauled up to the surface again. Mr. Hill proclaimed that the water wasn't only deep but very cold.

Free Moving Picture Show at Don Theatre

Next Tuesday evening, July 15, the public will have the opportunity of attending a free entertainment to be given at the Don Theater under the auspices of Sonoma Parlor 111, N. S. G. W. The entertainment will consist of a lecture illustrated by moving pictures and stereoptican slides showing the manufacture in California of various products such as the milling of flour, packing of fruits, foundry and sheet metal work, making of paints and varnishes and many other California industries.

The purpose of the entertainment is to promote home industry by encouraging the purchase of goods and products made in California, thereby building up our own manufactories, adding to the wealth and prosperity of our own state, and providing a still greater number of our people with employment.

By the use of moving pictures and slides the lecturer will be enabled to make a presentation of his subject that will be both entertaining and instructive.

This work is being carried on throughout the State by the Home Industry League of the Order of N. S. G. W., under the auspices of various Parlors.

Local talent will assist with vocal and instrumental selections.

Jack Canevari, who was injured while playing ball three weeks ago, and for whose benefit a game was played Friday between the Sonoma and Glen Ellen teams, wishes to thank managers McDevitt and Trusty, the ball players of both teams and all those who helped to make the benefit a grand success. Jack expects to be back in the game in a month or so and will then try to make up for lost time.

About fifty Sonoma fans and fanettes attended the game in Glen Ellen last Sunday. When the Sonoma players came from behind and cinched the game the Sonoma crowd seemed to be in the majority. Our boys had became the aggressors and great was the rejoicing thereat.

All hail the chief, Rylander! Yes, we will take off our hats to the gamest pitcher we have seen.

Don't miss Sunday's game at the Sonoma baseball park.

SONOMA PARLOR INSTALLS OFFICERS

Inducted Into Office by District Deputy Grand President J. M. Sobbe of Glen Ellen.

At a regular meeting of Sonoma Parlor, No. 111, N. S. G. W., last Monday evening, the newly-elected officers of the Parlor were installed to serve for the ensuing term by District Deputy Grand President J. M. Sobbe of Glen Ellen Parlor, No. 102. The officers elected and installed were as follows :

Junior Past Pres., W. H. Von Hacht; President, Jesse Prestwood; First Vice President, Geo. W. McGill ; Second Vice President, John Picetti ; Third Vice President, C. E. Groskopf ; Secretary L. H. Green ; Treasurer, Roy A. Pauli ; Marshal, J. I. Keiser ; Outside Sentinel, F. C. Helberg ; Inside Sentinel, L. Volquardsen ; Trustee, Philip Bill, Jr.

In addition to the installation of officers two of Sonoms's most promising young men, Henry Englund and Henry Anselmi, were initiated into the mysteries of the order, bringing the membership close up the one hundred mark.

Sonoma Parlor has for several years past enjoyed a rapid and vigorous growth and is now in a very prosperous condition both as to membership and its finances.

After the meeting the members adjourned to the banquet hall adjoining the lodge room, where with a number of invited guests they partook of one of the finest spreads the Parlor has ever given.

At the conclusion of the banquet the members and visitors had the pleasure of listening to a most excellent address by District Deputy Grand President Sobbe. His visits to the Parlor are always very much appreciated by the members.

Past President J. H. Murray was present and with his ready wit and genial manner afforded those present no end of enjoyment, and at the close of his remarks Past President Shaw, in a very pleasing manner, presented the outgoing President, Wm. Von Hacht, with a beautiful charm of the order given to him by his fellow brothers as a token of their appreciation of his good servicss to the Parlor during the past year.

Past President Von Hacht fittingly responded and also read an original composition very much to the amusement of all.

During the evening Messrs. Jansen and Helberg favored the members with several fine vocal selections, making the meeting in all one of the most enjoyable ever held by Sonoma Parlor.

Figuring Horse-Power of Automobile Engines

To find the horse-power of your motor-car, square the diameter of the cylinder, multiply it by the number of cylinders, and divide it by 2½.

"That is the rule adopted by the Society of Automobile Engineers. It is not absolutely accurate but it is approximately so, at a definite piston speed, and it is at least as fair for one maker as for another.

"While we are interested in this computation, still the Hudson cars are not rated according to any arbitrary formula. We test Hudson engines on a dynamometer, which gives readings showing actual brake horse-power. The motor of the "54," a Six-Cylinder car develops 57.8 horse-power at 1,500 revolutions per minute. At a little higher engine speed it shows 65 horse-power.

"It is hardly fair therefore to any of the modern efficient motorcars to use the standard S. A. E. rating. Efforts are being made to secure a more accurate formula, and it is likely that this will be accomplished. Practically all motors are now made with the long stroke. This affects very much the accuracy of the standard rating."

The Sonoma Index-Tribune Enters Upon a New Volume.

With this issue the Sonoma Index-Tribune enters upon its thirty-fifth birthday. Established in 1878 by Ben Frank, a well-known newspaper man of those early days, the paper passed through many vicissitudes during the first five years of its publication, and during that brief period changed hands no less than a dozen times.

In 1884 it became the property of the present owner and editor, who purchased it from ex-Congressman E. J. Livernash, then a mere boy but a writer of ability, whose only fault was that he was too outspoken in his editorial utterances for so limited a field as Sonoma was in those days, and he thought it best to retire and devote his energies elsewhere. This he did and afterward became famous as a writer, lawyer and politician and has never ceased to congratulate himself upon passing the buck up to us.

Succeeding Mr. Livernash, the present management has now for a period of thirty consecutive years, without missing an issue, successfully shaped its policy and made the paper a good paying proposition. There are reasons for this success which can readily be made plain in a few counts:

First—These columns have always been free and untrammeled and have at all times been used in the interests of the whole people regardless of petty cliques, clans and combinations which have sought in the past to shape its editorial utterances in the interests of the few as against the many.

Second—This newspaper has always consistently worked for the development of the resources of both town and valley and endeavored the best it knew how to make the charms of this nature-favored section known to the outer world and not in vain, we know.

Third—The Index-Tribune has never under its present management been under the domination of any one man (except its editor) or any set of men with private axes to grind, and has always tried to do right and endeavored to serve the people of both town and valley faithfully and well.

Fourth—The editorial columns of the Index-Tribune have never been conducted on a commercial basis—that is to say, they are not for sale to further the plans of schemers, mischief-makers, agitators or corrupt politicians, who have been forced to enter the newspaper field themselves in order to fool some people.

Sixth—Last, but not least, the Index-Tribune has never repudiated a debt, but for thirty years has paid every bill promptly, has had no debts, has contributed, in a modest way, to charity and public enterprises, and after all these years of activity is still backed up by public opinion and confidence and the editor's private bank account.

Our Resorts and the Pleasure Seekers.

The influx of pleasure seekers and summer visitors into this valley during the Fourth of July holidays was unprecedented. They came here by the thousands from all over the State and hundreds were unable to find hotel accomodations and had to be turned away. Every big resort and the little ones, too, were taxed to their utmost capacity in catering to the vast throng of visitors, who, for the most part, were a high-class of citizens. These left thousands of dollars among our business people and put all kinds of money in circulation here.

This latest rush to our valley by vacationists goes to prove it is becoming more popular every year as a health and pleasure resort. This being so, one can readily see the folly of the crusade being made against our resorts, which are among some of the finest in the State, by a blatant, inconsistent, mischief-making leader in the local anti-saloon crusade, who so far has unfortunately succeeded in doing a world of harm to the business interests of Sonoma Valley. Instead of curtailing the number of resorts in this valley by refusing all but a limited few the much necessary liquor license to enable them to cater to their guests they should be increased for the accommodation of the vast number of people who are now pouring into our valley, and we wish to go on record as so declaring, mischievous agitators to the contrary notwithstanding.

"Easy Jim" Tells in an Interesting Way all About the Week's Happenings in and About His Section of the Valley.

Henry Forni of Pleasant Villa transacted business in Sonoma on Monday.

Albert Groskopf, Sr., took the south-bound train for the metropolis on Monday afternoon.

Fruit shipping has started in, and from the looks of things there will be quite an amount shipped.

Mrs. Peter Deirx is entertaining some of her young nieces this week at Holland Cottage on the Hyde tract.

Mrs. Albert Groskopf is now getting along nicely and is expected to be up and around in a short time.

Mrs. Adam Giegrich entertained a number of friends from San Francisco at the El Nido Poultry Farm on July 4th.

A twelve-ton car of choice alfalfa hay arrived at Batto's spur on Wednesday morning, the first of the new crop to arrive.

Fred Batto motored to Petaluma on business Wednesday. He was accompanied by Miss Adele Andrieux and Miss Louise Batto.

The handsome residence of M. Ruitz at Buena Vista is about compeleted and it is quite an improvement to this part of the valley.

The Gundlach-Bundschu Wine Co. has been receiving and shipping large quantities of wine lately and its teams are kept busy.

Easy Jim:

I want you to distinctly understand that I was not in that bunch of your fair assistants that visited Archie McKiver last week. Now, I wish I was, as they all declared my sentiments to a T and that is Vineburg for Weise.

Yours truly,
Minnie Madden.

The Sonoma Valley branch of the N. W. P. R. R. was surely a busy one on Sunday last. Trains going north and south nearly all day and after dark.

M. Beyers, representing the firm of Frank Peterson & Co. of San Francisco, visited Batto's Spur on Thursday. All were glad to see the genial salesman.

Henry Pape of Vineburg is now filling the place of Carl Weishaar, who was badly injured recently by being kicked by a horse. Billie Kistle is bound to have fat and happy teamsters. That's right, Bill.

The Vineburg ball fans are very much pleased over the results of the ball games in Glen Ellen and Sonoma, in which Sonoma was victorious in both games. Manager McDevitt is surely rounding the boys up in good shape.

Se ious Grass Fire Monday

A grass fire broke out in the western part of the valley last Monday and before it could be checked by a force of five hundred volunteer fire-fighters burned over 2500 acres of pasture land on the Revie, Felder and Martin ranches. The heaviest loser by the fire was Jos. Revie, who lost forty tons of baled hay, a large quantity of fencing and pasture. The cause of the fire is unknown.

Card of Thanks

To the many kind friends we wish to show our appreciation and gratitude, and thank all, each and every one who so willingly helped save our home and property from destruction by last Tuesday's fire.

JOSEPH REVIE AND FAMILY.

Local Brevities

Mr. and Mrs. F. T. Duhring were visitors to the metropolis one day this week.

Mrs. P. Boccoli returned from the metropolis Thursday evening after a week's visit with friends there.

Mr. and Mrs. Henry Hyde and son are at present at the old home on the Hyde tract.

Walter Bundschu of this place had the honor of being Grand Marshal on the Fourth in Sonoma and the way he lead that parade on his handsome mount will be long remembered.

Morning worship 11 a. m.

The worship will be continued into the didactic portion in an Enlarging Thrill. I do not know how many votes it carries but I know it is a live wire alright, alright. You people who are out of the way of morning worship come along and see whether it pays.

Evening worship at 8 p. m.

Each step in a walk has its part to play in the character of the walk; each day helps to make a man's history, and every man in Sonoma is doing something to make the kind of a town we live in. Are you afraid to go and take a look in the church mirror and get a pointer on your size or see the conditon of your hair? Sunday evening I am going to show you yourself.

The city Mayor is a good, kind fellow and I would be pleased to see him at prayer meeting on Wednesday evening. I never knew of a man it did not pay to go. It would not hurt the city fathers to join my Bible class any Sunday morning at 10 a. m. It would do me and the young people a whole lot of good.

T. M. PRICE, Pastor.

The Hay Market

Somers & Co., San Francisco, in their weekly bulletin of July 8th, have this to say of the condition of the hay market:

"Receipts of hay during the past week were somewhat lighter than the week previous, a total of 3713 tons arrived in comparison with 4455 tons. In spite of these lighter shipments sufficient hay came in to supply all demands; in fact, the market could not well absorb this quantity of hay, and as the result prices are weaker. On Monday, owing to the holidays preceding, there was a severe congestion of hay, a total of 2164 tons being reported. This large quantity which had to be handled in a short space of time has had a very depressing effect and tends to give the impression that the market will be lower. Prices, however, will depend upon the quantity of hay which is forced on the San Francisco market.

"There is but very little buying being done in the country at present, dealers preferring to work on a hand to mouth basis rather than to buy anything for future requirements. Although farmers are for the most part holding for high prices, yet in some districts they have come to the conclusion that lower prices must be accepted by them in order to market their hay at the present time. Many have indicated their determination to store their crops, preferring to hold them for the winter market, which promises to be higher than at present, although whether there will be a sufficient advance or not to pay for storage and carrying charges is a question.

"Alfalfa continues to move off quite well locally, but there seems to be large quantities offered in the country at the present time. However, the farmers are holding for the most part for prices which are prohibitive. There is a very large crop of alfalfa in the State this year and this may be the element which will prevent the hay market in general from advancing during the winter to very high prices."

BLACK POINT CUT-OFF AND THE SUPERVISORS

El Verano Development Associations Representatives Appear Before the Board of Supervisors to Urge Appropriation

The El Verano Development Association representatives appeared before the Board of Supervisors last Monday, to urge an appropriation for carrying out its scheme of building the Black Point cut-off road from this valley to a point on the State highway at or near Novato, which will save sixteen miles of travel between Sonoma Valley and Napa County towns and San Francisco.

The delegation, which was composed of President J. Baines, Senator Frank Sprague, Dr. E. L. Parramore, Frank Koenig and Dr. A. Thomson, addressed the Board upon the subject, and promised the Supervisors, when the hearing will come up at its meeting in August, to furnish that body with facts and figures to back up their claim why the proposed road should be built.

THREE-DAY FIESTA OF THE WOMAN'S CLUB.

Ideal Weather Ushers in the Festival and Attracts Thousands of Visitors Here—Parade and Other Features

Sonoma had a gala celebration this Fourth of July and ideal weather brought thousands of visitors to the valley over the day of days. Trains came in two sections and together with our own people and the host of summer visitors who had already established themselves here there was a ffne crowd to aid the worthy fiesta over which the Sonoma Valley Woman's Club presided.

The coronation ceremonies, with its attending features, inaugurated the celebration and Queen Caroline was a regal beauty in her shimmering carnival costume of white satin. Blonde and stately she was indeed a fair representative and her ladies in waiting were the pick of Sonoma's beauty.

Mayor Cummings and Rex S. P. Woodworth contributed their share to the spectacle. The keys of the city having been turned over to the Queen her gracious majesty bade her subjects let merriment have full swing. Mirth and jollity straightway took possession of the town and the historic Plaza became the Mecca for the fun-seeking crowd which feasted and enjoyed the first evening with the many attractions provided by the club women.

The morning of the Fourth saw one of the finest parades ever witnessed here, many unique features being introduced. The prize winners were as follows:

Best decorated float, first prize, Black Point bridge, El Verano Development Association.

Second best decorated float, A. Chelini, El Verano wood yard.

Best decorated auto, Mrs. H. J. Wicker.

Second best decorated auto, Mrs. Mollie R. Taylor.

First best costume, Mrs. Casson.

Second best costume, Mrs. E. Campbell.

Best decorated carriage, Mrs. Calliaud.

Best lady equestrian, Miss Noonenson.

Best gentleman equestrian, T. Millerick.

The Native Sons drum corps and music added to the martial side of the patriotic demonstration, after which the literary exercises were held at the city hall.

Hon. Clarence F. Lea, orator of the day, made a splendid speech and was enthusiastically received by his many friends throughout the valley. E. Cleve read the Declaration of Independence. Rev. Mr. Wood offered an appropriate prayer and the "Star Spangled Banner" was effectively sung by Mrs. R. E. Lynch.

In the afternoon the races of the Sonoma Driving Club attracted large throngs, but the bazar features were well patronized also.

The natal day concluded with a grane ball and open-air dancing. The music was all that could be desired.

The final day of festivities (Saturday) was given over to games and contests, circus features and dancing.

Among the lucky contestants were Misses Eva Dresel, Nonnensen, Willie Petersen, Leonard Thomas, G. Bateman.

The booths in the Plaza were presided over by the following heads of committees: Cafeteria, Mrs. A. H. Bates; coffee, Mrs. Dora Stofen; ice cream, Mrs. H. J. Wicker; lemonade, Mrs. Ray Hunter; novelties, Mrs. Poulson.

BOYES HOT SPRINGS HAPPENINGS.

By Art Hickman.

What do you think of Sonoma and Boyes Springs being left out of the league that is being formed? Can you imagine Healdsburg, Petaluma, Sebastopol and Santa Rosa considering themselves in too high a class for our boys. It is to laugh. It was only this week that Healdsburg tried to steal Bill Reiterman, our star catcher from Boyes, and offered him a fat price, too. Was only last Sunday that we allowed our pitcher to twirl for Petaluma and still we are not in their class. Many games have been called off between these towns and Boyes Springs Team and there is plenty of confidence and finance, too, that we are the equal of any one of them. Let's hear from some of the managers of these teams. We will play them ball anytime, winner take all.

The holiday week at Boyes Springs and its surroundings proved to be the largest ever experienced by Sonoma Valley. It will never be known how many people were left at Sausalito Ferry on account of the law not allowing any more than the boat's actual capacity to start out. I venture to state that at least another 500 people would have spent their three-day vacation in the Valley of the Moon had there been sufficient transportation to carry them to their destination. Sleeping quarters were at a premium. Each resort trying to rent accomodations from the other to take care of their patrons. Finally after the valley was overflooded from Schellville to "Pop" McCray's out of Cloverdale, the phoning ceased and a stampede for bedding was the next on tap. In short, people were very amiable and in a good holiday spirit and contented themselves with beds, which comprised lawns, trees, bowling alleys and windmills, and had a good time in spite of this slight inconvenience of not having an "Ostermoor." Everyone knows that the thermometer was a trifle unkind at times which forced people to indulge in the fluid that carries a white collar and in which the hops are responsible for, and you didn't have to be German either to feel the twang. Hundreds of people found absolute comfort in the swimming tanks and they were sure taxed to their utmost capacity. Automobiles, I can't imagine how they ever succeeded in getting back across that water in one day and doubt if they did. Everything that was ever invented to take one here or there was put into effect, to the one-lung Rio of years ago to the big Peerless Six were in evidence. The livery horses stood with bowed-down heads in the sun and sort of looked askance if city folks never took the trouble to think whether or not horses should drink or appreciate shade trees after a long run.

A busy day like this always brings to view our poor valley servants, whose faithfulness is never questioned, being galloped at breakneck speed with very seldom less than three over-fed persons that doesn't know the first laws of humanity. I oft times wish that more big, brawny fists like our Joe Ryan's would connect with the offenders then we would have more dislocated chins and not so many disabled horses. There should certainly be some cure for these horse-killers.

What could be more funnier and yet more serious than Landers Stevens and Frank Goad entering the real estate business on a large basis? This has been accomplished. Our Jack Stevens has put the ban on the footlights for some time and and the big blue-eyed doll faces that sit in the front rows of our legitimate show shops will shed a tear when they hear that their beloved Jack instead of associating with cold cream and cosmetics is selling mother earth and is quite content in so doing. If you have an old farm to sell or a new home to buy the Stevens Goad firm will be at your service in their newly-erected offices at Boyes Springs.

Next Sunday a terrible dispute will be settled between Boyes Springs and Cotati.

Tainted blood, pimples and copper colored spots, patches and sores in the mouth, swollen or softening of the gums, tumors and ulcers of the skin, Rheumatism and Catarrh, pains in the legs, chronic ulcers or tumors anywhere readily disappear. I will cure you for life and leave no hereditary taint on your posterity. Every vestige of poison eradicated from the system.

VARICOCELE—STRICTURE—CURED IN 5 DAYS

Impaired circulation or obstructions. Call on or write me and I will convince the most skeptical that Varicocele, Stricture and also Hydrocele can be cured in five days, and in a larger majority of cases, in one treatment, pain ceases, swelling subsides or abstructions removed, circulation is rapidly re-established, the cure is permanent, this I guarantee, and cured to stay cured.
